

Dear Technical Hiring Manager,

I am excited about the Python Developer job at Hashtrust and my experience matches the qualifications you are looking for including a Bachelor's degree in computer science, computer engineering, or related field, 1-2 years of experience as a Python developer, and Knowledge of Python and related frameworks including Django and Flask. I am passionate about Ability to collaborate on projects and work independently when required.

Please contact me to discuss any questions you may have about my qualifications or to schedule an interview. Thank you for your time and consideration.

Sincerely,

Ronak Mundra
